Experience & Education

The Iron Yard-Nashville:: Front-End Development :: June-September 2015

I developed the skills necessary to build great websites and web applications, how to develop using tests and how to use version control tools. Most importantly, I learned how to solve complex problems and as a result of the entire process, I rediscovered how to learn.

Williamson County School District :: Substitute Teacher :: Spring Hill, TN 2014 - 2015

I worked as a Substitute Teacher at Summit High School and performed a plethora of duties for a select number of teachers.

National Reimbursement Group :: Administrative Assistant :: Spring Hill, TN & Macon, GA 2012-2014

Performed marketing duties, maintained website content, wrote technical proposals for medical contracts, drove CEO to client meetings.

The Bridge Church :: Intern :: Spring Hill, TN, 2012-2013

Coordinated with Missional Community leaders, wrote curriculum for missional community use, worked with a small group of high school students in youth ministry, ran audio/visual for worship gatherings, coordinated volunteers and curriculum for elementary children's ministry

Advanced Detection Systems', Inc :: Administrative Assistant :: Mountain Home, AR 2011-2012

Answered phones, managed office, maintained records with QuickBooks, coordinated schedules for office staff and alarm service technicians

Williams Baptist College:: Walnut Ridge, AR 2007-2011

B.A. in Christian Ministry :: Concentration in Biblical Linguistics & a minor in History.

Volunteer

The Bridge Church :: 2012-Present

Curriculum Writing :: January 2015 - Present

I assist in writing sermon based curriculum for our Missional Communities

Missional Community Leader :: September 2014 - Present

I host and lead a Missional Community that meets in my house every Tuesday night.

Children's Ministry :: June 2013 - Present

I teach Bible Stories to 60+ Kindergarten - Fifth Graders.

Youth Ministry :: 2012 - 2013

I co-led a small group for 12th Grade Boys.
